

What is a Spirit Model?

Spirit Photographers wants to spread the word about Senior Portraits at our studio! One of the ways we want to do this is with your help. Spirit Models receive a free road trip photo shoot with other Spirit Models to downtown Columbus for the BEST senior pics in your class! In addition, our models will receive \$20 cash for each booked referral and an Apple MACbook when you reach 25 referrals!

So let's get moving and Spread the SPIRIT!

What's the DEAL?

For You

The best part is your senior portraits will be fabulous! You will get a free on location session in the spring of your Junior year and 50% off your senior session fee in the summer. You will receive 50 Model cards from this session to pass out to potential referrals AND for EVERY Senior that books with your card, you will get \$20 CASH! As if that wasn't enough....the senior model(s) that bring in 25 new seniors for their portraits, will get a free 13" MACBook!
